**AMEND Senate Bill No. 3200**

**House Bill No. 2659\***

by deleting the first sentence in new subsection (h) and by substituting instead the following:

Upon filing a land use restriction in the register of deeds office entitled  
"Environmental Notation" evidencing the presence of contamination or other hazards on  
the property, the person filing such land use restriction shall simultaneously provide a  
copy of the land use restriction to the county property assessor for entry as a parcel in  
the property assessor's geographic information system.

AND FURTHER AMEND by deleting the language "owned by the United States department of  
energy (DOE Oak Ridge Reservation)" from the second sentence in new subsection (h).
